Pilot Club of Naples/Naples Pilot Foundation 2014-2015- Rosemarie Kirk

Hello Pilot friends,
This is a time to wish each other a Blessed Christmas and Happy Holiday. Fill it with family, fun and food. Follow a tradition from your past and make a new tradition to continue in the future. Our Pilot Club of Naples holiday tradition is our Lights of Love and Christmas Party. Like the song says, may it bring you "Comfort and Joy". May you all have blessings of good health and happiness.

Pilot International Florida District Fall Council

The Anchor Club members took part in the theme: State Fair. The pie eating contest was fun to watch.

There was even a cow at the Pilot State Fair; cotton candy & fresh popcorn too.

The new manager of the Hilton got in the act with Scholarship House residents with karaoke entertainment.

Beautiful girls from each of the three Pilot Scholarship houses. The high light of Fall Council is to hear them tell their personal stories about living in the Pilot Scholarship House.

The decorations set the theme. The food and games added to the atmosphere. There was a competition of home made pies, cakes, jams and pickles.

Every State Fair has a Queen. Queen Sylvia, Halifax area was crowned.

The Pilot Club of Naples was represented by Mary Ellen Koy, Marilyn Lewis and Sue Lester. They sold tickets for the money tree raffle in Market Place.

Project Lifesaver International Announces a Strategic Alliance with Biography Based Care®

November 19, 2014, Port Saint Lucie, FL: Project Lifesaver is proud to be teaming up with Biography Based Care® to provide specialized Alzheimer's/dementia training programs for Law Enforcement, Fire Rescue, Emergency Medical Services, Caregivers, and other first responders. Our missions, objectives, and goals are closely aligned. We are both focused on protecting “At Risk” individuals with cognitive disorders and training caregivers and first responders on how best to work with the “At Risk” individual and their family/caregiver.

Both Project Lifesaver and Biography Based Care® believe the real solution to protecting these precious individuals lies in the application of a comprehensive program that includes compatible technology and a coordinated national training program for law enforcement and other first responders in the areas of search and rescue and search technology, along with educating those first responders about the conditions and pattern of behaviors of the populations they will be recovering. We both believe that only by having a national comprehensive, compatible program, will we be able to effectively address this growing national health and safety issue.

Friday, December 5th – at Longshore Lake Country Club is the Pilot Club Christmas Party. The Lights of Love Tree Lighting will be held before dinner. Be sure to send in your “lights of Love forms with the names of those you wish a light to shine on the tree in memory of or in honor of. The deadline is December 1st to get the names in the program. The auction will be held after dinner. Funds raised from the auction will be credited to the 5K sponsorship funds: Quality Inn Certificate for 2 nights stay & golf valued at \$689, Shula's Gift Certificate and a Hilton Inn of Naples Gift Certificate and more could be yours if you have the winning bid. These items are available just in time for your Holiday gift giving. As they say at the Naples Winter Wine Festival Auction; “Bid High and Bid Often!” There is a bonus for the winning bidders, they do not have to pay until after the first of the year. Each person attending the Christmas Party is asked to bring a wrapped gift for the exchange.

15th Annual Lights of Love

Also on December 5th

National Alliance on Mental Illness (NAMI) Luncheon is December 5th at the Poinciana Country Club. As a sponsor, the Pilot Club of Naples has a reserved table. Kevin Hines is the special guest speaker. This event is always a great experience as it falls within our focus. Watch for the invitation as shown above. The 2014 theme is Hope Shines.

The Pilot Club of Naples can ***Do More, Care More and Be More.***

Over 500 young ladies have benefited from the Florida Pilot Scholarship House program. No other Pilot District has this program. It is exclusive of the Florida Pilots. This project was started in 1962. It answered the need for a state wide project that all Florida Pilots could support. In 2015, we will add the 4th house. This scholarship house will be the first for male students.

Most of the Florida Gulf Coast University girls living in the Pilot Scholarship house leave during the Holiday break. They would appreciate a greeting before they go. Everyone enjoys being remembered.

The Pilot Club of Naples

was chosen to receive the 2015 Diamond Volunteer Award. We will be honored on February 12th with a private wine reception at the von Leibig Art Center off 5th Avenue South in Naples. Plan to attend this special occasion at 5:30 PM recognizing our accomplishments of the Pilot Club of Naples. The reception is for members of our club and we need to RSVP by January 30th. There are two other winners of this 2015 award. They are Pace for Girls and the Equestrian Challenge. Their receptions will be held in March.

The July 2015 Pilot International Convention is scheduled to be held in Orlando. It is an easy drive and more of our members will be able to attend because of the break in travel expense. If you have not attended a Pilot International Convention, 2015 should be your year.

Bring sample size shampoo, etc for Bobbi
Bring Pop tops for Pat.
Don't forget your secret pal.

Connie Moore, ECR. We are looking forward to Connie visiting our club. Last month, it was written in the Pilot Light that Connie would visit in November. She contacted us to say it would not be in November. Perhaps the December or January meeting will fit her busy schedule. Connie is from Moline, Illinois and a member of the Pilot Club of Moline in the NW District Pilot International. We look forward to her visit.

Have you seen the current Pilot Log? The cover photo may look familiar because it was featured in the Naples Pilot Light with the article covering Safe Kids Day. The Pilot Club could not be more proud to have the cover photo and article on page 15. Pilot International appreciates our partnering with Safe Kids and has asked for us to explain what this partnering means to the Pilot Club of Naples.

Our Adopt A Precinct team had eight Pilots and one co-Pilot on November 4th for the Florida Gubernatorial General Election. This means we did not need the Supervisor of Elections to send anyone to help us. Also, the Pilot Club of Naples will receive more money for the work that these Pilots have done from 6 AM to after 8 PM. Long Day! This concludes our 2014 Adopt A Precinct commitment.

Concerns:

Jane Toney – Past Governor from Pilot Club of Miami
Terry Steffey's husband Charlie Terry is our Lt. Governor and District Representative and is a member of the Pilot Club of Miami
Caroline Fallis - Pilot Club of Quincy and Treasurer for the Pilot Florida District. She lost her husband in November.

Please send in your concerns. They will appear in the next issue.
